Dept. of Anaesthesiology & Critical Care of Rural Medical College LONI, is organizing a CME on "ARMOURING TO THE EVOLVING ANAESTHETIC CHALLENGES" ON 28<sup>th</sup> March 2009 in connection with Silver Jubilee Celebrations of this Institute.

This CME shall provide a platform to all participating delegates to deliberate on the CHALLENGES in the field of Anaesthesiology & Critical Care and their potential effect on our day today clinical practice. A thought provoking scientific program has been planned by the organizing committee which is presumed to benefit all concerned.

It would be our proud privilege if you would accept this invitation and take active part during the CME activity.

Shirdi, the Holy City of India, attracts millions of devotees of all religions, castes and creed to pay homage to Shri Sai Baba. This beautiful shrine was built over the Samadhi of Shri Sai Baba & is about 25 kms from this Institute.

On behalf of the organizing committee it is our pleasure to welcome you to LONI SHIRDI for an active participation in the CME and help us to make it a grand success.
