website : [www.pravara.com](http://www.pravara.com)

Inventor and revealer of inhalation anaesthesia: Before whom, in all time, surgery was agony; by whom, pain in surgery was averted and annulled; since whom, science has control of pain.

## Invitation

Dear friends,

It is with immense pleasure I take this opportunity to invite you to actively participate in the CME being organized by us on 18<sup>th</sup> Oct 2010, to commemorate the "WORLD ANAESTHESIA DAY" which is celebrated all over, to remind us of one of the greatest contribution the mankind has made- **"CONTROL OVER PAIN DURING SURGERY."**

Keeping in mind the tremendous advances this unique specialty has made in the recent decades, it is the opportune moment to remind ourselves of these great steps taken to deliver better healthcare to the needy.

The topics & the speakers have been chosen to give you the maximum benefit. Am sure you will not miss this opportunity to take benefit of this CME which will go a long way in your day to day clinical practice.

Looking forward to meet you.

Dr.D.S.Divekar  
Prof. & Head,  
Dept. of Anaesthesiology & Critical Care  
RMC, Loni

Note: Rural Medical College has been accredited by Maharashtra Medical Council, Mumbai, for conducting CME Workshop/Symposium/Seminar/Conferences. Case has been taken up with Maharashtra Medical Council, Mumbai for award of CME credit points.
