Invitation

Dear colleagues,
Warm Greetings!!

It is a matter of immense pleasure and privilege to invite you to participate in the National Symposium on, " Medical Documentation- Ethical, Legal and Social aspects", to be held on 08th August 2010 at Rural Medical College of Pravara Institute of Medical Sciences (DU), Loni, Maharashtra.

PIMS is dedicated to need based quality medical education and research since 1984. The Rural Medical College is located 22 kms away from Shirdi, the religious abode of Shri Saibaba.

With increasing consumer awareness and litigious attitude of the patients, the generation, maintenance, preservation, retrieval and effective use of medical records for doctor's defense has assumed a center space in a medical establishment. In such a hostile atmosphere it becomes imperative not only for the individual doctors but also the hospital management to upgrade their awareness about the importance of documentation and also streamline the medical documentation procedure.

Hence this symposium is being organized to address the above mentioned important issue.

We look forward for your gracious presence and contribution in this symposium. We assure you that every possible effort will be made to see that your visit to Loni proves meaningful, productive and memorable.

Organizing Committee

Note: Rural Medical College has been accredited by Maharashtra Medical Council, Mumbai, for conducting CME Workshop/Symposium/Seminar/Conferences. Case has been taken up with Maharashtra Medical Council, Mumbai for award of CME credit points.
