

### Rural Medical College, Loni

The Rural Medical College, located in remote and backward area of India, first of its kind, since its inception in 1984, is dedicated to serve the society, as a center of excellence with socially meaningful medical education, research and health care.

The college offers undergraduate course in Medicine (MBBS) and postgraduate degree (M.D/M.S.) and diploma programs in 22 medical disciplines. The sanctioned annual intake to the MBBS programme is 125. The courses offered are a perfect blend of community orientation, problem based learning with high quality clinical reasoning.

The college was affiliated to University of Pune and then to, Maharashtra University of Health Sciences, Nashik, until it became a constituent unit of this University in 2003. The undergraduate and postgraduate courses offered by the college have been recognized by Medical Council of India. M.B.B.S. degree from this college has been accepted by G.M.C., U.K.

### Genesis

Pravara Institute of Medical Sciences (PIMS) Deemed University was established in the year 2003 under the provisions of Section 3 of the University Grants Commission (UGC) Act 1956.

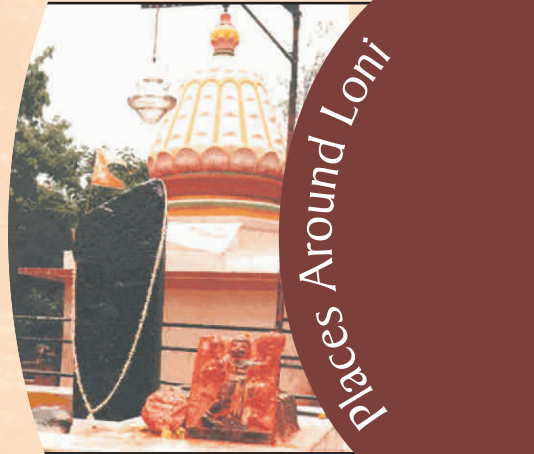

Academic and research excellence achieved and quality medical care rendered to the rural community during the last 31 years at national and international level by the Pravara Medical Trust ( the parent body of PIMS), was recognized by the University Grants Commission (UGC) and the Ministry of Human Resource Development ( MHRD) Government of India bestowed the status of Deemed to be University” to the Pravara Institute of Medical Sciences, Loni, vide its notification No.F-9-11/2000-u.3 dated 29<sup>th</sup> September 2003.

The college under PIMS (DU) is also listed in World Medical Directory published by World Health Organization, Geneva. The University has promoted national and international collaborations in many thrust areas related to medical care, education and research.

# INVITATION

Dear Colleagues,

It gives us immense pleasure in inviting you to participate in the National Workshop on Brachytherapy update under the banner of Association of Medical Physicist of India and Indian Brachytherapy Society at the auspicious occasion of silver jubilee celebration of Rural Medical College, PIMS Loni.

Rapid growth and development have taken place in the field of brachytherapy which still holds a unique place in the radiation treatment.

There will be presentations and demonstration on brachytherapy by eminent persons from all over India with active participation from AERB and BARC.

We look forward to your enthusiastic participation, cooperation and early registration. We will try to make the session as interactive as possible to make this academic event more effective for all the participants.
