

VISIT OF PHYSIOTHERAPY FACULTY TO KAROLINSKA INSTITUTE, SWEDEN FROM 24TH April – 15TH May, 2016 UNDER LINNEAUS PALME PROGRAMME

Dr. Shrikant S. Sant and Dr. Sambhaji B. Gunjal, Assistant Professor's at Dr. A. P. J. Abdul Kalam College of Physiotherapy, at PIMS-DU, Loni were deputed by the management of PIMS – DU to undertake teachers exchange programme under **Linnaeus-Palme Exchange Program** between PIMS-DU and Karolinska Institute. They visited Karolinska Institute, Sweden from **24th April to 15th May 2016.**

They had an opportunity to visit various rehabilitation centers as well as observe teaching and evaluation methods at Physiotherapy Department of Karolinska Institute.

As a part of their advanced training Dr Sant and Dr Gunjal visited '*Spinalis*' Spinal Cord Injury Rehabilitation Center at Stockholm. The center is designed for wheelchair-bound patients for enjoying maximum independence during their activities of daily life. PIMS – DU is keen to establish Spinal Center with the support and expertise from Karolinska Institute, Sweden
