From editor's desk:

We are into the end of year 2009 and ready to greet 2010. The month of December has its own importance. It begins with "World's AIDS Day" which is dedicated to raising awareness of the AIDS pandemic caused by spread of HIV infection. In December only (10th December), Nobel prizes are given on the anniversary of Albert Nobel's death. The 10th December is also celebrated as "Human Rights Day".

Our current issue begins with commentary on substance abuse. It has also three original articles and three case reports. The ever informative quiz along with abstract section are present as usual.

HAPPY NEW YEAR 2010
