---

Mahatma Gandhiji had said that “Education is all – round drawing out of the best in child and man-body mind and spirit.” It is the training of mind, not the stuffing of brains. It is the assimilation of ideas, not the dissemination of data. Education is a process of character building, strengthening mind and expansion of intellect.

According to an old Indian proverb, a man without education is a beast without it's horn or tail. He is a burden on earth and a parasite on society.

Therefore Smt. SEVP College of Nursing always believed in the all-round development of personality of our students and bringing favourable change in their behaviour by imparting the principles of nursing education, as today's students are tomorrow's educators. College of Nursing utilizes different strategies for achieving it, like arranging conferences, workshops, hands on training etc. The idea of arranging National Level Guest Lecture Series was conceptualized by Prof. Eknath M. Gawade and it was well promoted and supported by our Principal, Dr. Rajendra D. Lamkhede.

With our Hon`ble management`s permission, we had organized this national level guest lecture series for our students with the **objectives** that -

At the end of this lecture series, students will be able to-

1. Understand the trends in development of nursing education
2. Learn the educational objectives for competency and outcome based education.
3. Describe the instructional strategies.
4. Explore the instructional media and methods
5. Identify the various measurement and evaluation techniques in education
6. Explain standardized and non-standardized test.
7. Know curriculum development.

This guest lecture series was conducted over a period of 2 weeks from 07/10/23 to 23/10/23. It was conducted in a hybrid mode (i.e. both online & offline). It included 7 lectures delivered by esteemed medical and nursing experts from across the India. Guest speakers from 04 states namely Maharashtra, Gujarat, Rajasthan and Karnataka delivered interactive sessions.

SEVPCON, PIMS-DU, Loni welcomed the Chief Guest and Guest of Honour. Mr. Sharad Dighe, Organizing Secretary presented the brief report of the series. On this occasion certificates were distributed to the participants and organizing committee members. In his address Hon`ble Vice-Chancellor congratulated and appreciated the

organizers for arranging this kind of National level Guest Lectures Series for students. Prof. Eknath Gawade proposed a vote of thanks.

Total 298 participants i.e. 27 faculties from CON, 41 PG students, 50 P.B.B.Sc. (N) students and 180 B.Sc. (N) students attended the guest lecture series. It was a great learning opportunity for our students to interact with national level experts.

It was a great learning and satisfying opportunity for faculty also to organize such kind of programme for students. The programme went on smoothly as we all worked as a team, where each faculty was assigned some kind of responsibility and every faculty member conducted it very effectively under the guidance of our Principal Dr. Rajendra D. Lamkhede.
