**FEEDBACK REPORT 2020-2021**

**Pravara Institute of Medical Sciences DU, College of Nursing, Loni Bk.**

**FEEDBACK REPORT 2020-2021**

**1.Name of the College:** College of Nursing, Loni Bk.

**2. Feedback secretary:** Mr. Eknath Machindra Gawade.

Mobile Number:8275200438 email: [eknathgawade83@gmail.com](mailto:eknathgawade83@gmail.com)

**3.Year and term** / batches for which feedback taken.

Year: 2020-2021

**4. Summary of feedback.**

**Feedback for AY 2020-2021 collected under the following headings**

- I. Feedback from Student's
- II. Feedback from Faculty
- III. Feedback from Peers / Resource Persons/Examiners (External)
- IV. Feedback from alumni
- V. Feedback from parents

Dr. T Sivbalan, Principal and Dean, College of Nursing and Dr. Deepak Phalke, HOD, Department of Preventive & Social Medicine and PIMS feedback committee Chairperson gave valuable suggestion and guidance throughout the feedback process.

Ms.Nimisha Anilkumar and Ms. Geeta P, member of institutional feedback committee, College of nursing extend their help throughout feedback process in analysis and report writing.

Student section, College of nursing helped out in student related information and printing. Collected feedback data further tabulated, analyzed and interpreted under the infrastructure and learning resources, curriculum and departmental teaching learning process, feedback of outgoing students and feedback on faculty members.

**Methodology**

Feedback for academic year 2020-2021 collected online by using Google form, feedback questions were divided under following headings and linear scale was used.

In all the steps of data collection confidentiality was maintain about identity of respondents. Google form was prepared as per the type of feedback ,programme and year of UG & PG courses. Google form link was made and send on students what's app group, alumni what's app group and faculty what's app group, from parents and resource person feedback collected through hard copy of feedback form.

- Students, faculty and alumni feedback data was collected from 5.07.2021 to 27.07.2021.
- Feedback from resource person/ examiner collected during their visit.
- Feedback from parents collected parents meeting and visit to college. Parents feedback collected by the class coordinator during parents visit and at the end submitted to the feedback committee.

Analysis was done in excel . All score presented out of 5 and opinion and suggestion presented in descriptive manner.

In detail feedback is as follows

## I. Feedback from Student's

| Sr. No | Batch            | Feedback given by no of students |
|--------|------------------|----------------------------------|
| 1      | B.Sc. Nsg I      | 86                               |
| 2      | B.Sc. Nsg II     | 71                               |
| 3      | B.Sc. Nsg III    | 48                               |
| 4      | B.Sc. Nsg IV     | 41                               |
| 5      | P.B.B.Sc. Nsg I  | 19                               |
| 6      | P.B.B.Sc. Nsg II | 22                               |
| 7      | M.Sc. Nsg I      | 19                               |
| 8      | M.Sc. Nsg II     | 10                               |
|        | <b>Total</b>     | <b>316</b>                       |

PIMS DU, College of Nursing, Loni BK, conducted online, student's feedback for the assessment year 2020-2021

Total 316 UG and PG students gave their valuable feedback on following aspect.

- A. Feedback on infrastructure and learning resources.
- B. Feedback on Curriculum – Syllabus and Co-Curricular
- C. Feedback on departmental teaching learning process.
- D. Feedback from out-going students on academic, facilities, support & services. (Exit).
- E. Feedback on faculty members.

### A. Feedback on infrastructure and learning resources.

Feedback on infrastructure and learning resources taken from 4 batches of B.Sc. Nursing, 2 batches of P.B.B.Sc nursing and two batches of M.Sc. Nursing.

Feedback of students about infrastructure and learning resources was assessed by asking responses on various aspects of infrastructure. Total five questions were asked, each question carrying five marks. Students had given their response to each question out of five. Overall feedback given by the students about infrastructure and learning resources was assessed by taking average of all students' responses to each question out of 5 and then all five questions average taken out of five.

Total average score about infrastructure and learning resources was taken out of five.

Feedback given by the students is presented as follows

#### Feedback score on infrastructure and learning resources.

| SR.NO | COURSE/ PROGRAMME | AVG. SCORE  |
|-------|-------------------|-------------|
| 1     | B.Sc. Nursing I   | <b>3.03</b> |
| 2     | B.Sc. Nursing II  | 3.16        |
| 3     | B.Sc. Nursing III | 3.64        |

|    |                    |      |
|----|--------------------|------|
| 4  | B.Sc. Nursing IV   | 3.65 |
| 5  | P.B.Sc. Nursing I  | 3.88 |
| 6  | P.B.Sc. Nursing II | 3.23 |
| 7. | M.Sc. Nursing I    | 4.04 |
| 8. | M.Sc. Nursing II   | 3.90 |

**Opinion and suggestion:** Students are satisfied with the infrastructure and learning facilities. Teaching and learning facilities are excellent in campus and also getting good clinical exposure. Students suggested finishing syllabus through the online mode of teaching.

### B. Feedback on Curriculum – Syllabus and Co-Curricular process

Total seven questions asked about syllabus and co-curricular process and average score given by all the students are taken out of 5 on linear scale of 5 points.

| S.N | COURSE                        | SCORE |
|-----|-------------------------------|-------|
| 1   | First Year B.Sc. Nursing      | 3.00  |
| 2   | Second Year B.Sc. Nursing     | 3.34  |
| 3   | Third Year B.Sc. Nursing      | 3.78  |
| 4   | Fourth Year B.Sc. Nursing     | 3.69  |
| 5   | First year P.B.B.Sc. Nursing  | 3.89  |
| 6   | Second year P.B.B.Sc. Nursing | 3.13  |
| 7   | First Year M.Sc. Nursing      | 4.13  |
| 8   | Second Year M.Sc. Nursing     | 3.72  |

**Opinion and suggestions:** Overall all the students were satisfied with the curriculum planning and implementation. All students are happy and gave feedback that lectures taken properly and solved doubts. Few first and second year Basic B.Sc. nursing student's raised concerned that due to COVID-19 pandemic they find difficulty in understanding online classes.

### C. Feedback on departmental teaching learning process

Feedback on departmental teaching learning process was taken from 4 batches of B.Sc. Nursing, 2 batches of P.B.B.Sc nursing and two batches of M.Sc. Nursing.

Feedback of students on departmental teaching learning process was assessed by asking responses on various areas of departmental teaching learning process. Total 10 questions were asked, each question carrying five marks. Students had given their response to each question out of five. Overall feedback given by the students about departmental teaching learning process was assessed by taking average of all students' responses to each question out of 5 and then all 10 questions average taken out of five.

Data of departmental teaching learning process was tabulated and presented as per the programme, batches in each programme and departments / subject in each batch.

## Basic B.Sc. Nursing

### Batch name: First year B.Sc Nursing

| Sr.no | Subject            | Avg. subject score |
|-------|--------------------|--------------------|
| 1     | Anatomy            |                    |
| 2     | Biochemistry       | 3.10               |
| 3     | Physiology         | 3.16               |
| 4     | Psychology         | 3.24               |
| 5     | Nutrition          | 3.05               |
| 6     | Microbiology       | 3.18               |
| 7     | Nursing foundation | 3.43               |

|       | 8. Child health and pediatric nursing I  | 4.35            |

**Batch Name:** Second year M.Sc. Nursing

| SR.NO                                 | Subject                                | Avg. Sub. Score |
|---------------------------------------|--|-----------------|
| I                                     | Common subject to all specialty        |                 |
|                                       | Nursing Management                     | 3.77            |
| II                                    | Specialty subject                      |                 |
|                                       | 1. Medical surgical nursing            | <b>3.10</b>     |
|                                       | 2. Community health nursing            | 3.90            |
|                                       | 3. Mental health Nursing               | <b>3.15</b>     |
|                                       | 4. Obstetric and gynecological nursing | 3.75            |
| 5. Child health and pediatric nursing | <b>3.1</b>                             |                 |

**Opinion and suggestions:** Students are satisfied with the facilities provided by the various departments about curriculum planning and implementation. All the doubts raised by students are taken care by faculty of each department. Students raised concern about online classes and requested to complete syllabus through the physical classes.

**C. Feedback from out-going students on academic, facilities, support & services. (Exit batch).**

Feedback of out-going students on academic, facilities, support & services was taken from final year of B.Sc. Nursing, P.B.B.Sc nursing and M.Sc. Nursing.

Feedback from out-going students on academic, facilities, support & services was assessed by asking responses on various areas. Total 10 questions were asked, each question carrying five marks. Students had given their response to each question out of five. Overall feedback given by the out-going students on academic facilities, support and services assessed by taking average of all students' responses to each question out of 5 and then all 10 questions average taken out of five.

**Table: Feedback from out-going students on academic, facilities, support & services.**

| SR.NO | COURSE/ PROGRAMME                   | AVG.SCORE |
|-------|-------------------------------------|-----------|
| 1     | Basic B.Sc. Nursing final year      | 3.62      |
| 2     | Post Basic B.Sc. Nursing final year | 3.17      |
| 3     | M.Sc Nursing final year             | 4.05      |

**Opinion and suggestions:** Overall feedback given by the all outgoing batch students was good and they were happy during academic stay during their course.

#### D Feedback on faculty members.

Feedback of students about faculty members was assessed by asking responses about faculty members on various areas. Total five questions were asked, each question carrying five marks. Students had given their response to each question out of five. Overall feedback given by the students about faculty member was assessed by taking average of all students' responses to each question out of 5 and then average of all five questions taken out of five.

Total score for each faculty member was out of five.

Faculty wise feedback score given by the students were presented as follows

#### Feedback on faculty members.

| Sr. No | Name of the faculty         | Designation                | Score |
|--------|-----------------------------|----------------------------|-------|
| 1      | Dr. T Sivabalan             | Principal & Dean           | 4.23  |

\*\* External faculty

**Opinion and suggestion:** Overall feedback given by the students about faculty is good, average and excellent. They are satisfied with faculty performance. Opinion and suggestion given for each faculty discussed individually with each faculty.

## **II. Feedback of Faculty**

### **Faculty feedback collected and analysed under following headings**

- A. Academic, Facilities, Support and Services.
- B. Curriculum – Syllabus and Co-Curricular Aspects

#### **A. Academic, Facilities, Support and Services.**

Average feedback score of faculty on academic facilities support and services is 4.40.

In opinion and suggestion faculty says they are getting nice working environment and facilities.

#### **B. Curriculum – Syllabus and Co-Curricular Aspects**

Average feedback score of faculty on Curriculum – Syllabus and Co-Curricular aspects is 3.98

In opinion and suggestion faculty says few assignment should be reduced and Covid 19 care and management aspects should be add in syllabus.

## **III. Feedback from Peers / Resource Persons/Examiners (External)**

Feedback from Peers / Resource Persons/Examiners (External)/feedback collected and analyzed under following headings.

- A. Academic Academics, Facilities, Support and Services.
- B. Curriculum – Syllabus and Co-Curricular Aspects

Feedback obtained from total 16 participants.

#### **A. Academic Academics, Facilities, Support and Services.**

Average feedback score of Peers / Resource Persons/Examiners (External)/ on academic facilities support and services is 4.56.

In opinion and suggestion Peers / Resource Persons/Examiners (External)/ were happy with facilities provided in college, few people suggested to have CCTV in laboratories also.

#### **B. Curriculum – Syllabus and Co-Curricular Aspects**

Average feedback score of Peers / Resource Persons/Examiners (External)/ on Curriculum – Syllabus and Co-Curricular aspects is 4.38.

In opinion and suggestion Peers / Resource Persons/Examiners (External) suggests to have practical examination should be skill based and more patient oriented curriculum should be there.

#### **IV. Feedback from Alumni**

Alumni feedback collected and analysed under following headings

A. Academic Academics, Facilities, Support and Services.
