Inclusive Rural Development**

During the time that were barren and the turfs that were rough
You emerged among the masses and lead from the front

Socio-economic empowerment of the downtrodden,
You took it as your mission....

Untiring efforts and unflinching spirits with
What you founded for that Pravara stands today....

The path that was uncharted,
You walked all along stands sanctified....

Your legend now stands glorified across the frontiers
And beyond the oceanic blues....

In each of our endeavors you inspire us and it is your blessings
That keeps us on path, ever in pursuit of newer horizons....

We stand in all our humility and
Pay our rich tribute to a rare visionary in you....
