

Meeting with His Excellency The Ambassador of Israel Dr Ron Malka:

15 Jan 2020: Dr Rajendra E Vikhe Patil, Hon'ble Pro Chancellor of Pravara Institute of Medical Sciences, Deemed to be University, met His Excellency The Ambassador of Israel Dr Ron Malka in New Delhi. This visit was part of the recent initiative to strengthen the collaborative activities between PIMS and Universities in Israel. Recently PIMS DU signed as MoU with Hebrew University of Jerusalem, Israel to undertake collaborative research activities in the field of public health, dentistry and biotechnology.

Dr Rajendra E Vikhe Patil, Hon'ble Pro Chancellor briefed His Excellency The Ambassador of Israel about the social transformation and genesis of Pravara Medical Trust and Pravara Institute of Medical Sciences Deemed to be University.

His Excellency, The Ambassador of Israel, was glad to hear about the outreach activities in health care rendered by the University, especially for the rural and tribal population of this region. Community oriented health care education and research was also much appreciated by His Excellency The Ambassador of Israel.

Being an economist himself, Dr Ron Malka was delighted to know the efforts taken by Founder Father's Late Padmashri Dr Vitthalrao Vikhe Patil and Padmabhushan Dr Balasaheb Vikhe Patil towards upliftment of society through various initiatives including education and health care services..

Dr Rajendra E Vikhe Patil, Hon'ble Pro Chancellor extended warm invitation to His Excellency The Ambassador of Israel to visit PIMS DU.

This visit gains significance due to the fact that India and Israel have agreed to strengthen the scientific and health care services between the two countries, in the years to come, offering substantial financial support.

Dr Rajendra E Vikhe Patil, Hon'ble Pro Chancellor, PIMS DU was accompanied by Prof Sanjeev G Kulkarni, Incharge Directorate of International Relations during the meeting. The meeting was co-ordinated by Mr Albert Benabou, Former distinguished Israel Diplomat....
