Loni Bk.

FEEDBACK REPORT

1. Name of the College: Rural Dental College, Loni Bk.

2. Feedback secretary: Dr. Harish Saluja

Mobile Number: 9766921178 email: harry_salujamds@gmail.com

3. Year and term (batches for which feedback taken) Year : 2018 – 2019

S. No.	Batch	No. of Students
1.	BDS Internship Odd 2018 – 19	13
2.	BDS Internship Regular 2018 – 19	79
3.	I / II BDS Regular	91
4.	II / II BDS Regular	73
5.	III / II BDS Regular	25
6.	IV / II BDS Regular	77
	Total	358

4. Summary of feedback

PIMS DU, RDC, Loni BK, conducted online feedback for the assessment year 2018-2019. Total 358 UG students gave their valuable feedback on following aspect:-

- A. Feedback on infrastructure and learning resources.
- B. Feedback on departmental teaching learning process.
- C. Feedback from out-going students on academic, facilities, support & services. (Exit).
- D. Feedback on faculty members.

Dr. Deepak Phalke, HOD, Department of Preventive & Social Medicine and PIMS feedback committee coordinator gave valuable suggestion and guidance throughout the feedback process. Mr. Ratnaparkhi and Mr.Tushar, IT Department & Members of PIMS feedback committee extended their timely technical help in feedback process. Collected feedback data further tabulated, analyzed and interpreted under the following heads :-

A. Feedback on infrastructure and learning resources.

Feedback of students about infrastructure and learning resources was assessed by asking responses on various areas of infrastructure. Total five questions were asked, each question carrying five marks. Students had given their response to each question out of five. Overall feedback given by the students about infrastructure and learning resources was assessed by taking average of all students' responses to each question out of 5 and then all five questions average taken out of five. Total average score about infrastructure and learning resources was taken out of five. Following questions were asked about infrastructure and learning resources :

- 1) Basic learning resources (Lecture theatres, library, e-learning, Museum, skill lab, Practical labs, etc)
- 2) Clinical learning resources (hospital patients, support services, investigation & super-specialty facilities)
- 3) Community learning resources (adopted community/field visits, health centres, MD camps, NSS)
- 4) Hostel Facility (accommodation, mess, gym, 24*7 water, electricity & security)
- 5) Campus amenities with sports facilities (canteen, playground, garden, roads, bank, ATM)

Opinion/Suggestions:

B. Feedback on departmental teaching learning process.

Feedback of students on departmental teaching learning process was assessed by asking responses on various areas of departmental teaching learning process. Total 10 questions were asked, each question carrying five marks. Students had given their response to each question out of five. Overall feedback given by the students about infrastructure and learning resources was assessed by taking average of all students' responses to each question out of 5 and then all 10 questions average taken out of five. Total average score on departmental teaching learning process was taken out of five.

- 1) Advance teaching plan & its timely completion (Academic Calendar & Time Table)
- 2) Competencies, Learning Objectives and Course outcomes informed & discussed
- 3) Learning resources (museum, lab, PPT & question bank, community, health centres)
- 4) Teaching learning methodologies (syllabus-content, depth & innovative methods (viz. PBL, integrated teaching, seminars, quiz, research etc)
- 5) Evaluation (fairness, transparency post assessment discussion in internal assessment)

- 6) Mentoring, Counselling & guidance for overall development
- 7) Extra guidance for excellent & weak students
- 8) Opportunities for student exchange, Externship & educational visits
- 9) Co-curricular extracurricular activities (NSS, guest lectures, health day celebration etc)
- 10) Guidance for employability & improvement of skills (soft/life skills etc)

Opinion / Suggestion:

C. Feedback from out-going students on academic, facilities, support & services. (Exit).

Feedback of out-going students' assessed by responses given on the various aspects of academic facilities, support and services. Students had given response out of five to each question about quality of teacher, advance teaching plan, learning resources, teaching learning methodology, fairness and transparency in evaluation and internal assessment and basic learning resources. Overall feedback given by the students was assessed by taking average out of 5. Following questions were asked for feedback on academic, facilities, support & services:-

- 1) Quality of teachers:
- 2) Advance teaching plan (academic calendar & time tables)
- 3) Learning resources (Museum, lab, PPT & Question bank, community, health centres)
- 4) Teaching learning methodologies (syllabus-content, depth & coverage, innovative methods viz. PBL, integrated teaching, seminars, quiz, research etc.
- 5) Evaluation (fairness, transparency in internal assessment)
- 6) Co-curricular extracurricular activities (NSS, guest lectures, health day celebration, Padmanjali etc
- 7) Basic learning resources (Lecture theatres, library, e-learning, Museum, skill lab, practical labs etc
- 8) Clinical learning resources (Hospital patients, support services, investigation & super-specialty facilities)
- 9) Community learning resources (adopted community / field visits, health centres, MD camp, NSS)
- 10) Hostel facility (accommodation, mess, gym, 24*7 water, electricity & security)
- 11) Campus amenities with sports facilities (canteen, playgrounds, garden, roads, bank ATM) facilities for student council & cultural activities (Padamanjali)
- 12) Curricular enrichment & update of contents, training programs

Opinion/Suggestion:

D. Feedback on faculty members.

Feedback of students about faculty members was assessed by asking responses about faculty on various areas. Total five questions were asked, each question carrying five marks. Students had given their response to each question out of five. Overall feedback given by the students about faculty member was assessed by taking average of all students' responses to each question of 5 and then average of all five questions taken out of five. Total score for each faculty member was out of five. Following questions were asked:-

1. Subject Knowledge, preparedness & Skills
2. Teaching Methodology & approach towards teaching
3. Communication Skills
4. Use of Information & communication technology, e- resources
5. Attitude towards students
6. Opinion / Suggestion.

A. Feedback on infrastructure and learning resources.

Feedback on infrastructure and learning resources was taken from 4 batches of B.D.S. & 1 batch of Interns. Feedback of students about infrastructure and learning resources was assessed by asking responses on various areas of infrastructure. Total five questions were asked, each question carrying five marks. Students had given their response to each question out of five. Overall feedback given by the students about infrastructure and learning resources was assessed by taking average of all students' responses to each question out of 5 and then all five questions average taken out of five. Total average score about infrastructure and learning resources was taken out of five. Feedback given by the students is presented as follows:-

Feedback score on infrastructure and learning resources.

S. No.	Course / Programme	Average score
1.	BDS Internship Regular 2018 – 19	3.87
2.	I / II BDS Regular	3.88
3.	II / II BDS Regular	3.71
4.	III / II BDS Regular	3.53
5.	IV / II BDS Regular	3.87

Above table shows that all the batches had given score below 4 which need to be addressed.

B. Feedback on departmental teaching learning process

Feedback on departmental teaching learning process was taken from 4 batches of B.D.S. Feedback of students on departmental teaching learning process was assessed by asking responses on various areas of departmental teaching learning process. Total 10 questions were asked, each question carrying five marks. Students had given their response to each question out of five. Overall feedback given by the students about infrastructure and learning resources was assessed by taking average of all students' responses to each question out of 5 and then all 10 questions average taken out of five. Data of departmental teaching learning process was tabulated and presented as per the programme, batches in each programme and departments / subject in each batch.

Batch Name : I / II BDS Regular

S. No.	Subject	Average score
1.	Anatomy	4.08
2.	Physiology	4.09
3.	Biochemistry	4.09
4.	Dental Anatomy & Dental Histology	4.13

Batch Name : II / II BDS Regular

S. No.	Subject	Average score
1.	Pharmacology	4.45
2.	Pathology	4.43
3.	Microbiology	4.43
4.	Oral Pathology	4.47
5.	Pre-clinical Conservative Dentistry	4.53
6.	Pre-clinical Prosthodontics	4.45

Batch Name : III / II BDS Regular

S. No.	Subject	Average score
1.	General medicine	4.01
2.	General surgery	4.03
3.	Oral pathology	3.68

Batch Name : IV / II BDS Regular

S. No.	Subject	Average score
1.	Oral Medicine & radiology	4.12
2.	Pedodontics	4.18
3.	Conservative dentistry	4.09
4.	Prosthodontics	4.11
5.	Orthodontics	4.07
6.	Periodontics	4.14
7.	Community dentistry	4.12
8.	Oral & maxillofacial surgery	4.12

In above table's feedback given by the students about subject / departments feedback score was four and above except subject / departments of IIIrd year BDS which is highlighted by the bold letters in above tables. In reference with the same, Principal RDC discussed with respective teachers of the department about low score and how it can be enhance and what are the problems students are facing and how it can be solved.

C. Feedback from out-going students on academic, facilities, support & services. (Exit batch).

Feedback on out-going students on academic, facilities, support & services was taken from 2 batched of interns. Feedback from out-going students on academic, facilities, support & services was assessed by asking responses on various areas. Total 10 questions were asked, each question carrying five marks. Students had given their response to each question out of five. Overall feedback given by the out-going students on academic facilities, support and services assessed by taking average of all students' responses to each question out of 5 and then all 10 questions average taken out of five.

Table: Feedback from out-going students on academic, facilities, support & services.

S. No.	Course / Programme	Average score
1.	BDS Internship Odd 2018 – 19	4.47
2.	BDS Internship Regular 2018 - 19	3.28

Overall response of outgoing students on academic facilities, support and services was below 4 given by Interns of Regular batch 2018-19. Respective students were called for discussion and to give their suggestion.

D. Feedback on faculty members.

Feedback of students about faculty members was assessed by asking responses about faculty members on various areas. Total five questions were asked, each question carrying five marks. Students had given their response to each question out of five. Overall feedback given by the students about faculty member was assessed by taking average of all students' responses to each question out of 5 and then average of all five questions taken out of five. Total score for each faculty member was out of five. Faculty wise feedback score given by the students were presented as follows:-

Feedback on faculty members

S. No.	Name of faculty	Subject	Score
1.	Dr. Mrs. S. K. Chavan	Anatomy	4.16
2..	Dr. Pakhale S.V.	Anatomy	4.11
3.	Dr. Mrs. M. M. Joshi	Anatomy	4.07
4.	Dr. Desai R. R.	Anatomy	4.20
5.	Dr. Mrs. Pawar R.M.	Anatomy	4.14
6.	Dr. Mrs. Gunnal S. A.	Anatomy	4.08
7.	Dr. Mrs. Dandekar U.K.	Anatomy	4.08
8.	Dr. Mrs. Namarata Marathe	Anatomy	4.09

93.	Dr. Deepak Vikhe	Prosthodontics	4.42
94.	Dr. Tanupriya Sonkar	Prosthodontics	4.37
95.	Dr. Divya Toshniwal	Prosthodontics	4.42
96.	Dr. Prashant Viragi	Public Health Dentistry	4.24
97.	Dr. Syeda Nikhat Mohammadi	Public Health Dentistry	4.26

5. ACTIONABLE POINTS DISCUSSED WITH RESPECTIVE DEAN / DIRECTORATE.

Actionable point about feedback discussed with the Principal, RDC under the each aspect of feedback and presented as follows.

A. Infrastructure and learning resources.

All the batches had given score below 4 which need to be addressed. Any improvement to be done will be discussed with management through proper channel.

B. Departmental teaching learning experience.

Staff members are appreciated & requested to continue teaching and learning with the same enthusiasm. Faculty members were requested look into any difficulty faced by students in learning and help them to overcome the difficulties.

C. Feedback from out-going students on academic, facilities, support & services.

Feedback on above mentioned points was found to be satisfactory for all the batches. Mr. Pokhale from RDC office was appointed for collecting feedback from outgoing students. Any grievances / complaints related to above mentioned points to be addressed by concerned Dept HOD's through Principal, RDC.

D. Feedback on faculty members.

As the score was above 4, staff members are appreciated & requested to continue teaching and learning with the same enthusiasm and inculcate modern methods of teaching like problem based learning, evidence based learning, etc.

6. Recommendation to be submitted to stakeholders- Nil
