Workshop on “Healthy Village through Gram Arogya Bank” for Members of Health Committee of Gram Arogya Bank February 8 , 2017

Centre for Social Medicine organized a One day workshop on "Healthy Villages" on 8th February 2017 to the Members of Village Health Committees of Gram Arogya Banks located in Galnimb, Tisgaonwadi, Chandrapur and Pimpri Lokai.

The Workshop was inaugurated by **Prof. Baba Kharat, Senior Social Worker** of Sangamner and **Mr. K.B. Waghchaure, B.D.O (Retd), Rahata**.

The Director, CSM welcomed the guests and participants and introduced the concept of Healthy Village and announced a One Year Action Plan for a competition amongst the Pravara Gram Arogya Banks for declaration of "Healthy Village Award".

Prof. Kharat has delivered a lecture on the role, strategies and activities of Health Committee members to make their village as "Healthy Village". Mr. Waghchaure has guided the delegates on various state & central government schemes for promotion of health, nutrition, environment & sanitation, and general development of villagers.

As many as 42 delegates which include Village Sarpanch, Gram Panchayat members, Youth Club Member, Teachers, Anganwadi Workers, ASHAs, Social Activists of the respective villages participated in the workshop. Some selective photographs of the workshop are enclosed for information of all the colleagues.
