## CELEBRATING A COMMON HERITAGE- DENTISTRY

Rejoice of nurturing fast rising future generations by fostering knowledge and value keeping alive its rich and historic traditions of all round academic excellence, Rural Dental College is organizing a student convention as a part of prolific silver jubilee celebrations in 2014.

The silver jubilee celebration is a moment to rejoice and cherish past glory and achievements, to accept present day challenge and welcome the future with great accountability

As we reach 25 years of academic excellence- one quarter of a century, Rural Dental College today is a colossal institution of international repute and synonymous with "academic excellence , Students achievements, social entrepreneurship, Opportunity and discovery" for students, parents, teachers and community. It is our academic force and personal attention to each and every student that makes us distinct.

Continuous professional development is a vital necessity to transact the curriculum in a refreshing manner to the student body. We, from the Department of Periodontology and Department of Public Health Dentistry, promises a gala of dental knowledge and exposure along with an insight into the latest in dentistry through elaborate scientific sessions by esteemed dental visionaries. Hence, we optimize a replete participation by all colleagues and students in making this student convention an unmatched success.
